

Lone Oak Ranch Pinot Noir

Winemaking

Purple Hands is a low-input, purity-driven winery. Ferments are a mixture of techniques: Pied de Cuve, native yeasts, and some commercial strains as needed. Whole cluster and skin macerations are vintage-dependent styles. Wines are bottled partially fined and filtered to retain the honesty of the vineyard.

This elegant Pinot Noir includes fruit from all of our Vineyard Designates located in multiple AVAs across the Northern Willamette Valley. Lone Oak Ranch is an introduction to Cody's winemaking style and meant to be a pure representation of Willamette Valley Pinot Noir.

The 2020 Vintage

2020 is a vintage that you can rely on Oregon winemakers such as Cody Wright as your go-to for high quality, purity focused Pinot Noir. Though the vintage presented its challenges there was an incredible core of quality at the center of the vintage. At Purple Hands Winery we focused on that generous core, embracing the spirit of the vintage, to create wines of depth and quality.
